

BRITISH ROWING MASTERS CHAMPIONSHIPS.

13TH & 14TH JUNE 2015.

CALL FOR VOLUNTEERS

The championships are run entirely by volunteers from the rowing fraternity. As well as the specialist team of umpires, timekeepers, etc., we are looking for a small team of helpers.

During the course of Saturday and Sunday we will need to maintain a team of about 9 helpers:

- 2 to check licences
- 3 to input/check data, so some IT knowledge would be helpful
- 2 to help on the photo finish
- 2 to run a meals on wheels service for all the other volunteers

Help will be needed from 8am through to 5pm Saturday, 4pm on Sunday. We envisage dividing the day into at least two shifts so that helpers will have the opportunity of racing as well. All volunteers will be suitably fed and watered throughout the day and will be invited to the Organising Committee's meal on Saturday evening.

We also need a group of about 6 to help with setting up on Friday evening.

Anyone interested please contact me by phone or email.

Regards

Chris Smith
